Citizens Police Academy

Second Class Starts Sept. 16

The Citizens Police Academy (CPA) is a Community Relationship program that will help bridge the gap and strengthen the relationship between the Celina Police Department and the Citizens they serve. During this nine (9) week course, participants learn about topics ranging from criminal law and patrol tactics to Criminal Investigations. The group may also take a field trip to the Collin County Detention Center. This Academy will help prepare the participants in becoming Ambassadors of the Celina Police Department within their communities.

After graduating from the Citizen Police Academy, Alumni become eligible to train for two additional volunteer groups: Volunteers in Policing (VIPs) and Citizens on Patrol (COPs).

More information on the Volunteer groups and application process will be released later in the year. If you have any questions or comments please email Officer Chase Guidera at cguidera@celina-tx.gov.
