City of Celina & Upper Trinity River Water District Announce State 1 Drought Restrictions

CELINA, TX – The City of Celina in cooperation with the Upper Trinity River Water District (UTRWD) announced today an immediate implementation of Stage 1 Drought Contingency Plan water conservations measures.

Under this stage, residents will be asked to conserve water through mandatory and voluntary measures and to comply with restrictions on certain non-essential water usage.

All water customers of the City of Celina should note the immediate requests water conservations measures:

- Customers are required to immediately reduce landscape irrigation systems and hose-end sprinklers to a maximum of two (2) days per week. Irrigation of landscaped areas and building foundations is still permitted at any time when using a hand-held hose, drip irrigation, or a soaker hose.
- Customers are required to follow a mandatory time-of-day landscape irrigation schedule. No outdoor watering with automatic irrigation systems and hose-end sprinklers can occur from 10:00 AM to 6:00 PM.

Twice Per Week Water Schedule

Last Digit of Address	Allowed Landscape Watering Days
1, 3, 5, 7, 9	Saturday and Wednesday
0, 2, 4, 6, 8	Sunday and Thursday
